Description

PERFECT COASTAL CRUISER/LIVEABOARD

This 2000 model luxury Bayliner motor yacht had spent the first 7 years of her life in freshwater only, and needs to be seen to be fully appreciated. With a unique, practical and very efficient layout, she aptly showcases the uncanny American ability to design and produce sensational cruising boats which not only optimise the use of all available space, but also fully cater for serious onboard entertainment of family and friends.

Twin helm stations, shaft diesels with low hours, a generator set and twin airconditioning units, backed by a generous suite of electronics, including a forward looking sonar and autopilots, she truly is extremely well sorted for coastal passages and /or live aboard duties.

The accommodation comprises of two very generous cabins, both with ensuite bathrooms, with the master suite even boasting a large bathtub; there is even a unique heating system for the salon - now that's style, and luxury! For those idyllic sundowners, the large flybridge is the perfect spot, with ample lounge seating for up to ten and uninterrupted views on all sides.

If you in the market for either a Riviera, Mariner, Searay, Regal, Caribbean or similar cruiser, do not discount this very well kept and designed Bayliner Motor Yacht. She presents as a stand out in terms of accommodation and layout, with class leading fresh air ventilation and an absolute abundance of natural light in her interior. Inspection will not disappoint. Call the best boat brokers in Sydney to arrange a private inspection of this vessel at a time and day which presents convenient.
