Suburb	CECIL HILLS	Engine Make	

Description

FISHO'S FINEST !

This 2006 Trophy centre console walkaround is absolutely perfect for the avid fisherman and doubles as a sensational day boat for the family. The iconic Trophy brand is renowned for superior build quality and exceptional fishability and seakindliness. Due to the brands close following and loyalty, they rarely reach the market.

The Bay Pro has raised fore and aft platforms with an integrated fishing seat on the bow (even an umbrella for those very sunny days !), and boasts a layout that makes fish handling anywhere aboard, simple and easy - two live fish wells, a moulded rod locker and an insulated fish box for your catch add to the impressive standard list of inclusions.

A Mercury 125hp Saltwater Series 2 stroke outboard with less than 200 hours ensures quick trips to wherever they are biting, and then at the end of the day, up onto her Karavan trailer. The custom T top assists the skippers comfort, with the non skid deck surfaces, self bailing cockpit and positive foam flotation all adding up to a rig that is safe, easy to handle and very comfortable. Ring the best boat brokers in Sydney to arrange a private inspection of this fine craft at a convenient time. We are available 7 days by appointment.

Features

Builder	Trophy Boats
Hull Construction Material	FIBREGLASS
Hull Type	MONO
Deck Construction Material	FIBREGLASS
