Description

Simply Stunning

New to the Australian market, although in existence for almost 50 years in Europe, the Polish built Parker Pilothouse epitomises the latest European trend of placing trawler-style cabins on full bodied hulls that maximise volume and are designed to offer traditional offshore seakeeping practicality. Trailer available at additional cost.

The hulls sharp entry, series of strakes and definitive hard chines combine to provide tremendous lift and a smooth entry with a confident ride. The deep coamings and wide side walkway instils confidence and promotes easy access to the foredeck area to facilitate safe and easy front on mooring and anchoring, as well as total fishing convenience.

This as new 2016 model, running twin fuel efficient Mercury 150hp four strokes with approximately 120hrs run time, is absolutely loaded with expensive and useful options. Top shelf remote outriggers, numerous rod holders, foldaway cockpit seating, teak tables, toilet with holding tank, a concealed sink and cooker in the saloon, another sink in the forward cabin, deckwash, LED lighting, windscreen washers and wipers, a complete navigational suite including 4G radar, premium Fusion sound system, EPIRB and even complete window and sunroof curtaining.

Storage options abound, with large infloor lockers in the cockpit and plenty of hideaways in the saloon and forward cabin. The luxurious bucket seats are beautifully upholstered and offer ample adjustment. Whatever the outside conditions, the Parker Pilothouse provides a totally dry and safe environment with unparalleled 360 degree vision for all ensconced - very snug indeed !

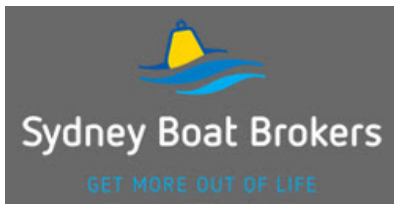

If you are considering a genuine offshore capable all rounder that can be a serious fishing platform one day, and a family weekender the next, look no further. With a new sticker price approaching \$200k, this loaded Parker 800 at \$129,900 - offers tremendous value. An extremely capable and more than comparable vessel to the likes of the Jeanneau Merry Fisher, Arvor Weekender and the Beneteau Antares range. Don't miss the opportunity to inspect this gorgeous vessel; call the best boat brokers in Sydney to arrange a private inspection at your convenience, 7 days a week.
