Description

CLASS & CLOUT

This 2010 model Crownline bowrider belies its age and presents as new. The sensational design features and unequalled fit, finish and attention to detail evident in all areas of the boat, including storage spaces, screams superior quality and no expense spared in her creation.

Storage bins and nooks abound, including an in floor lockable ski and wakeboard locker and cooler boxes for drinks and food. Adjustable and first class bucket seats for the skipper and co-pilot, with a luxurious rear lounge and sunpad. Access to the 300hp Mercruiser fuel injected powerplant is as easy as lifting the rear sunlounge, which also gives immediate and reachable access to all ancillary systems.

With a top speed of over 40 knots and the grunt to easily launch two skiers, you will not want for additional power. The large rear boarding platform with oversized stainless boarding ladder will definitely become the focal point for on and in water fun!

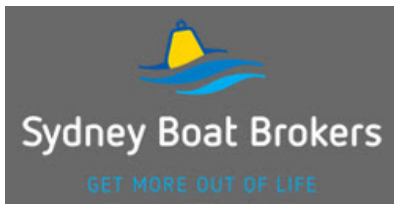

So, if you are considering a serious trailerable bowrider capable of handling choppy seas whilst offering a soft riding and luxurious drive, look no further. Bayliner, Searay, Four Winns, Maxum and the like don't come close! Give the best boat brokers in Sydney a call to arrange a private inspection of this very fine vessel. We are available 7 days by appointment for your convenience.
