Description

HUGE BOWRIDER

They don't get much bigger than this. This 2007 bowrider can take the whole family and then some, for a comfortable day out on the water. Boasting twin 6.2 MPI Mercruisers, fully serviced end of 2017 and running Bravo III drives, she certainly has outstanding performance, yet a comfortable cruise of 25 - 30 knots is easily achieved.

Having undergone extensive refurbishment mid 2017, including all new black canvas covers, clears, carpet, an upgraded stereo system and a new GPS/Plotter and VHF radio mean that not only does she perform like a sports cruiser, but she looks great doing it ! New manifolds, risers ,bellows and batteries over the last few years mean the business end has also been well covered.

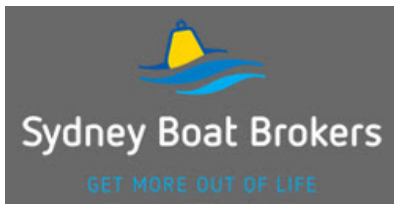

After a cracking day boat that offers speed, class leading performance, capacity, comfort, including a toilet, heaps of storage, look no further, the Searay 290 SLX deserves attention. If you are contemplating Bayliner, Regal, or similar large bowrider brands, give the best boat brokers in Sydney to arrange a private inspection at your convenience. We are available 7 days

Features
